This Italian table set-up however, looks like something out of a horror movie rather than a pleasant dining experience.
Amsterdam have introduced waterside dining, where guests dine in their own private greenhouse. They plan on serving a four-course menu with three dinner sittings throughout the evening Netherlands, and are already booked up until the end of June.

- Must stay home when you are sick, except to get medical care.
- Must wash your hands often with soap and water for at least 20 seconds.
HEALTH AND WELLNESS SHIELDS
- Direct-to-substrate printing using UV & Latex inks gives the ability to print white and translucent opacities. Duggal also has the ability dimensionally print and add liquid lamination direct to the shield for a spot varnish effect.
- Laser engraving & CNC machining provides the ability to etch the shields and infill with paint.
- Frames can be finished in a variety of ways, from custom powder coating, to lux anodized jewel-tones.
PARTITION SHIELDS
